

ICAR-CIFA implements Mera Gaon Mera Gaurav Scheme

ICAR- CIFA is implementing the **Mera Gaon Mera Gaurav Scheme** in two adjacent districts viz., Khordha and Puri. Groups of Scientists (four scientists/group) would implement the scheme in five adjacent villages. Fifteen groups is formed adopting 75 villages in the target area. Besides, the Scientists working in the Regional Research Centres have selected another 25 villages for implementing the scheme. With the expertise of CIFA in freshwater aquaculture the villages will be selected based on added criteria of possessing freshwater bodies. The implementation will be in a phased manner of having a visit in month and progression of activities will be based on problems identified and development interventions designed.

The scheme was launched on 3rd Sept., 2015 at this Institute with the first visit. Dr P Jayasankar, Director, CIFA visited Orada and Pariorada villages along with his team members on 16th Sept., 2015. All the 20 groups of scientists (at HQ and RRCs) visit their villages regularly and update the villages about new farming practices, varieties and Government schemes. Forging convergence with line departments/KVK/banks/SHGs/NGOs etc. is being emphasized for implementation of the scheme.

Need based interventions are also being made by the team of scientists in their selected villages. Kisan gothis were organised at Astaranga, Puri on 1 Dec 2015 and on 22 Jan 2016 at Sarat, Khurda.
