

ICAR CIFA supports Farmers of west Bengal by giving Animal Feed Machine

ICAR-CIFA and Regional Research Centre Rahara in Collaboration with SasyaShyamala Krishi vigyan Kendra Sonarpur has inauguration Animal Feed Machine and Pulvalizer on 18.05.22 for preparation of Fish feed for the SC farmers of the region. Dr .S. Adhikari, SIC RRCRahara welcomed the Farmers and assured

for any support from CIFA for fish Culture. Dr N.C.Sahu Senior Scientist and Head SSKVV, Sonarpur addressed the farmers for using new Agricultural technologies for rural development. Dr B.N.Paul, Principal Scientist expressed his happiness during inauguration of Animal Feed Machine. He also mentioned in his address that S.C. Farmers of Sonarpur now can prepare their own pelleted feed with the locally available ingredients under the guidance of scientists of CIFA. The machine was inaugurated at the Farm of Mrs. Suniti Mondal who was the lead farmer of Aquaculture Farmer Field School which was inaugurated earlier. Dr.R.N.Mandal and Dr Swagat Ghosh were also present on the occasion. The farmers were also happy to get the Animal feed machine in their village. Dr. B.N.Paul Principal Scientist Coordinated the programme.
